Library Policy Updates

The library is the place where all can go and all are welcome. Washington County Library System (WCLS) has seven branches to serve you. Each branch and its holdings is a part of the system; the sharing of materials benefits all the citizens of Washington County by allowing all card holders to check out items from any branch by either going to that branch and finding the item or by placing an item on hold and having it sent to your "home" branch when it is available.

WCLS strives to provide open and equal access of ideas and information to meet the needs of all residents understanding that we all lead unique lives, have varied interests, and live by different value systems. If you are not yet a card holder we encourage you to visit your local library and discover all that is there for you. Anyone age 18 or over may register for a card themselves. For children ages 5-17 a parent or legal guardian must be present for the child to obtain a card. By registering a minor child for a library card the parent accepts financial responsibility for the materials checked out and acknowledges that it is the responsibility of the parent to guide the child's selection of materials.

WCLS has two options for Minor cards.

1- As a parent you may choose for your child to have access to all materials in the library. With this you have the option to add Internet privileges where the child may access a filtered Internet system including social networking sites like Facebook®, MySpace®, and Twitter®.

2- As a parent you may choose for your child to have access to all materials in the library with the exception of R-rated DVDs and videos. With this you have the option to add Internet privileges where the child may access a filtered Internet system that does not include social networking sites like Facebook®, MySpace®, and Twitter®.

Whatever your needs, whatever your interests, we hope you will explore your "home" library!

Happy Independence Day!

Thomas Jefferson stated "The only birthday I ever commemorate, is that of our Independence, the Fourth of July." Enjoy this July 4th with your family and friends, but as the colorful fireworks are bursting in the air remember the real reason we set aside this day to celebrate our freedoms. Here are some thoughts to ponder as we enjoy the freedoms of this great country.

Liberty, when it begins to take root, is a plant of rapid growth. ~George Washington

Patriotism consists not in waving the flag, but in striving that our country shall be righteous as well as strong." -James Bryce

"I believe in America because we have great dreams - and because we have the opportunity to make those dreams come true." -Wendell L. Wilkie

"May the sun in his course visit no land more free, more happy, more lovely, than this our own country!" -Daniel Webster

"I think there is one higher office than president and I would call that patriot." -Gary Hart

Special Screening of "Return to Little Hollywood" at the St. George Library

"Return to Little Hollywood," a documentary about the film industry in Southern Utah written and directed by Dixie State College professor Dr. Stephen Armstrong, will be screened at Saint George Public Library on **Tuesday, July 13, 2010 at 7PM in Community Rooms A & B.**

The scenic landscape that characterizes Kanab has long been a favorite for motion picture production. Since the 1920s, hundreds of feature films and television programs have been made there, most notably "Western Union," "Buffalo Bill," and Clint Eastwood's classic western "The Outlaw Josey Wales," as well as the long-running TV series "Gunsmoke" and "Have Gun, Will Travel." For this reason, Kanab is often referred to as "Utah's Little Hollywood."

"Return to Little Hollywood" provides audiences with the opportunity to view footage of locations and sets used in past movie and television productions, as well as commentary by local residents who worked on the productions.

We invite you to attend this special screening. admission is free. For more information contact Dr. Stephen B. Armstrong at (435) 652-7806 or Christina Schultz at (435) 652-7542.
